

No Regrets Show Compassion

Joshua 6

Discussion Guide

Lesson

You have a choice to follow God, and you have a choice to show compassion to others.

Questions!

1. What are some of the regrets that were possibly going through the people of Jericho's minds?
2. Who are the people in your life that are hurting, filled with fear and consumed with pain? How can you show some compassion to them?
3. How could your city, your province or state, your country be different if the compassion you demonstrate becomes contagious and others start showing compassion along with you?
4. If compassion costs me and you something, does it also give back something? If so, what does compassion give to you when you extend it to others?

Prayer Requests

At the end of your discussion, go around the group and ask for prayer requests.

Tips and Tricks for leading a discussion

The point of a discussion is to grow in a relationship with Jesus. Not simple to get through the questions.

Remind people of why you discuss and that each of you is there to help encourage and challenge each other.

Growth Tip

Turn on your compassion sonar. Our world is hurting it needs people to see the hurt and not turn away. Our world needs compassion from you and me!

You can pray to begin your relationship with Jesus!

Jesus, I need you. Forgive my sinful mistakes. I am giving you control of my life. Thank you for your love! Amen
